

Dear Community Partners, Educators and Resource Teams,

We wanted to share information for this year's 2022 Rough N Ready Challenge Rodeo that runs in conjunction with Omaha River City Rodeo. We wanted to work diligently to get the event information out to potential participants and their families alongside recruiting our amazing volunteer pool.

**Rough N Ready Challenge Rodeo will be held Saturday September 24<sup>th</sup>, 2022 at 10:00 AM at the CHI Health Center Omaha at 455 N 10th St, Omaha, NE 68102.**

We will plan to gather in the main arena entrance prior to our start time for check in and then proceed to the arena floor. We are hoping to have a resource fair that welcomes our participants, families and volunteers.

Participants age ranges that we can accommodate are 3-21 years old. They are required to have one guardian with them and available for any additional needs. We have a great pool of sponsors who help us put on this amazing event and we also look forward to giving back to our community partners.

The next page is a poster that can be displayed and sent home with potential participants to get them registered. They will connect to the registration form via the listed QR code. There is also a QR code for volunteer registration.

Any questions, please reach out to us at [rough.n.ready@gmail.com](mailto:rough.n.ready@gmail.com). We are looking forward to celebrating the 20<sup>th</sup> Anniversary of Rough N Ready Challenge Rodeo this fall.

Sincerely,

Rough N Ready Challenge Rodeo Committee

A RODEO EVENT FOR CHILDREN, ADOLESCENTS  
AND YOUNG ADULTS WITH DISABILITIES.  
SERVING PARTICIPANTS AGES 3-21
